

## Welcome To The Indian Ocean Club

Just for you&hellip; a club to celebrate the cultural life of the Indian Ocean Our intention is to provide a forum with something for everyone who has an interest in the Indian Ocean. The Indian Ocean Club has been established to promote sports, travel, business and cultural events between Europe and the Indian Ocean region.

It is for people from Mauritius, Seychelles, Madagascar, Comores, Maldives and La Reunion as well as Cape Town, Jakarta, Singapore and all points of the Indian Ocean Rim. We launch at a time when the region has witnessed tumultuous events. Cultures and nations may periodically clash but the regions has a long established shared culture which is sometimes forgotten. For centuries this was based on trade. In our time it is founded on regional co-operation, travel and tourism and traditional oceanic industries.

The mission of the Indian Ocean Club is to celebrate the deep cultural life and industries of our rich and abundant region. And we want the best for businesses as well as individual members. The Club welcomes long term promotional relationships with the travel industry, airlines, insurance groups and tour operators.

For individual members the benefits of the Club will include

-

Travel discounts for journeys to the region.

-

Priority invitations to special events such as our special dances and festivals which are currently in the pipeline. We are also arranging special curry nights out.

-

Discounts for group visits and tours throughout the world.

-

Invitations to Indian Ocean Club meetings and talks.

There are many opportunities out there for us all to share. Come and join us.
